DETAILED ACTION

Oath/Declaration

1. Applicant is now required to submit a substitute declaration or oath to correct the deficiencies set forth: Signature for Christophe Bouchy (third inventor) is missing from the oath/declaration, "French" is misspelled under the citizenship for the third inventor and the last name of the fourth inventor is misspelled. The substitute oath or declaration must be filed within the THREE MONTH shortened statutory period set for reply in the "Notice of Allowability" (PTO-37). Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136. Failure to timely file the substitute declaration (or oath) will result in **ABANDONMENT** of the application. The transmittal letter accompanying the declaration (or oath) should indicate the date of the "Notice of Allowance" (PTOL-85) and the application number in the upper right hand corner.

Claim Objections

2. Claim 2 (originally claim 3) is objected to because of the following informalities: the claim depends on the cancelled original claim 2. Appropriate correction is required.
